"Justin does a fantastic job explaining why a direct approach is usually the best option, as it quickly separates the girls that are not worth the chase, from the girls that you should pursue further. "I've recently started to read this book and so far I can't put it down (just long enough to leave this quick review)! Justin shares some great tips for ordinary men, who are genuine, perhaps consider themselves shy and find it difficult to approach women. Unlike some of the bawdy dating coaches who suggest pick up tips, Justin offers real, sincere suggestions to make the dating experience less challenging and more authentic. Ok, I'm off to read some more!" -Maeve Crawford, Relationship Expert and Coach

"Every single gentleman needs to have this in his personal library as a quick reference and review. As a professional matchmaker I plan to recommend to all my gentleman clients. Justin has penned yet another winner!" -Lory Kelsey, MSW Greenwich Matchmaker

"If you're a regular, introverted guy struggling to approach women with success, then you're in the right place. Justin Stenstrom has written this cool guide for the average introverted guy looking to make a great impression with women. This guide gives you really great and practical advice on how to approach them and he encourages you to try out the ideas in each chapter because he recognises that you learn more by doing rather than reading or listening alone." -Saskia Nelson, Creator of Saturday Night's Alright, and Co-Founder of Irresistible Dating
