Awakened (Vampire Awakenings, Book 1) By Brenda K. Davies

Professionally edited by Leslie Mitchell at G2 Freelance Editing and rereleased 2/12/14.

Traumatized by her past, and struggling to move on from it, Sera has spent the past three years of college hiding herself from the world and content to stay that way. A chance encounter with Liam shatters her sheltered world, leaving her stunned and shaken by the strange feelings and emotions he arises in her, feelings she never thought she would experience and that frighten her in their intensity. Harboring a dark and deadly secret of his own, Liam knows that he should stay away from Sera; that he will only bring her more hurt, but he is irresistibly drawn to her and unable to deny himself the pleasure that only she can bring to him. But when their pasts collide with their present, and Liam's true nature is revealed, will their love for each other be enough, or will they be torn apart forever?
