Kiss the Bride Jody Wallace

Kiss the Bride by Jody Wallace

Herman Edward Heckley knows all about drywall, concrete, and nail guns. So what's he doing fighting off taffeta in a bridal salon? He's maid of honor for his best friend, Caroline Oakenfeld, in her wedding to a pencil-necked geek. But the closer he gets to the ceremony, the more he wonders if he's been missing out all this time.

Caroline has been missing out, and she knows it. She's been in love with Heck forever, but frittering her life away until Heck wises up isn't part of her life plan. She's agreed to marry her boyfriend so she can move on with her life. But the closer she gets to the ceremony, the more she realizes she has to resolve her feelings for Heck.

For better or for worse.

From reader reviews:

Gilbert Albright:

Typically the book Kiss the Bride has a lot details on it. So when you check out this book you can get a lot of gain. The book was published by the very famous author. The writer makes some research before write this book. This specific book very easy to read you may get the point easily after looking over this book.

Mildred Ortiz:

Is it you who having spare time in that case spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Kiss the Bride can be the solution, oh how comes? The new book you know. You are thus out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Shane Bodine:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book has been rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes studying, not only science book but also novel and Kiss the Bride or maybe others sources were given information for you. After you know how the great a book, you feel want to read more and more. Science publication was created for teacher or perhaps students especially. Those guides are helping them to put their knowledge. In different case, beside science book, any other book likes Kiss the Bride to make your spare time a lot more colorful. Many types of book like this one.

Michael Medellin:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Kiss the Bride can make you truly feel more interested to read.
