About The Author

My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012.

Since then, I've sold over 100,000 eBooks on Kindle and now earn a full-time income as a part-time author. I've since helped thousands of self published authors like myself sell more books on Kindle. If I can do it, you can too!
