Astro Boy Volume 10 (Astro Boy (Dark Horse)) By Osamu Tezuka

The works of Osamu Tezuka are being enthusiastically discovered and re-discovered by American audiences. Tezuka is the unquestioned creative wellspring for the modern anime and manga industries, the influence of his genius now pervading popular culture around the globe, and Astro Boy is the quintessential Tezuka work -- innovative, exciting, hilarious, and even heartbreaking. Few works of graphic fiction -- or any fiction, for that matter -- offer so much fun and humanity that appeals to so many different ages. In this volume: Astro battles the mighty (and really BIG!) Garon; Astro must solve "The 100 Million Year Old Crime;" and Astro is stolen!
