## Danny and the Dinosaur 50th Anniversary Edition By Syd Hoff

Danny loves dinosaurs. When he sees one at the museum and says, "It would be nice to play with a dinosaur," a voice answers, "And I think it would be nice to play with you." So begins Danny and the dinosaur's wonderful adventure together!

But a dinosaur is no ordinary playmate. Even the most everyday activities become extraordinary, like finding a big-enough place to hide a dinosaur in a game of hide-and-seek and keeping him from knocking over houses with his long tail. But Danny can teach an old dinosaur new tricks. It's the most fun this dinosaur has had in a hundred million years!

Originally published as an I Can Read book more than 40 years ago, this classic story is perfect for reading together.

Danny's out on the town with a real, live dinosaur. And whether they're eating ice cream or playing hide-and-seek, these two are having one hundred million years of fun - all in one day.
