Machiavelli: Selected Political Writings (Hackett Classics) By Niccolo Machiavelli

Here are *The Prince* and the most important of the Discourses newly translated into spare, vivid English. Why a new translation? Machiavelli was never the dull, worthy, pedantic author who appears in the pages of other translations, says David Wootton in his Introduction. In the pages that follow I have done my best to let him speak in his own voice. (And indeed, Wootton's Machiavelli does just that when the occasion demands: renderings of that most problematic of words, *virtu*, are in each instance followed by the Italian). Notes, a map, and an altogether remarkable Introduction no less authoritative for being grippingly readable, help make this edition an ideal first encounter with Machiavelli for any student of history and political theory.

Editorial Review

Review

Wootton's Introduction is an excellent piece of work that offers both scholars and students a valuable guide to Machiavelli's texts. --Maurizio Viroli, Princeton University

This text is perfect for providing in a single text a balanced presentation of Machiavelli's work. This works excellently in countering general perceptions of a more severe Machiavelli by those familiar only with The Prince. The selections from the Discourses are well chosen. --Brian Caza, Georgetown College

The Introduction is vibrant, comprehensive and persuasive. Manages to address the needs of undergraduates while constituting an original contribution to contemporary scholarship. Bravo! --Alan Houston, University of California, San Diego

Language Notes

Text: English (translation)

Original Language: Italian

About the Author

David Wootton is Anniversary Professor of History, University of York.

Users Review

From reader reviews:

James Conner:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each guide has different aim or goal; it means that e-book has different type. Some people really feel enjoy to spend their time and energy to read a book. They may be reading whatever they take because their hobby is reading a book. Why not the person who don't like examining a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you will want this Machiavelli: Selected Political Writings (Hackett Classics).

Cora Morrell:
