

Pearls and Pitfalls in Head and Neck Surgery

From S. Karger

Pearls and Pitfalls in Head and Neck Surgery From S. Karger

In this unique volume, leading international experts share their experiences in the management of head and neck tumors, providing a guidebook for all surgeons dealing with head and neck neoplasms. Each chapter offers a concise description of useful 'pearls' and dangerous 'pitfalls' which must be avoided. Contributions cover topics from thyroid glands, neck metastases, and oral tumors to laryngeal, pharyngeal, and nasopharyngeal tumors, as well as salivary gland tumors, skull base tumors, and reconstruction surgery. In addition to frequent diseases which are encountered in everyday practice, some new therapeutic topics such as video-assisted thyroidectomy, robotic surgery, and management of the neck after organ preservation treatment are discussed.

The 2nd edition has been extended by topical chapters of major practical interest including the latest findings and techniques. The new chapters are clearly indicated and can be recognized easily.

Editorial Review

Users Review

From reader reviews:

Bryan Donovan:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining for instance comic or novel. The particular Pearls and Pitfalls in Head and Neck Surgery is kind of reserve which is giving the reader unpredictable experience.

Joseph Barnett:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider while those information which is inside former life are difficult to be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Pearls and Pitfalls in Head and Neck Surgery as the daily resource information.

Dora Dickey:

Reading a book for being new life style in this yr; every people loves to go through a book. When you study a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, and soon. The Pearls and Pitfalls in Head and Neck Surgery provide you with a new experience in looking at a book.

Alice Rodriguez:

Guide is one of source of understanding. We can add our information from it. Not only for students but native or citizen require book to know the upgrade information of year to help year. As we know those guides have many advantages. Beside we add our knowledge, also can bring us to around the world.
