### About the Author

Dr. David Nunan is Director of the English Centre and Chair Professor of Applied Linguistics, University of Hong Kong. He is well known for his innovative methodology and his remarkable ability to bring to the classroom a variety of activities that will enhance students' oral production. He is a past president of International TESOL, and has published numerous journal articles and texts including the core series Atlas, Expressions, and GO FOR IT! and the skills series Listen In, all for Heinle. His professional titles with Heinle include Second Language Teaching & Learning and Pursuing Professional Development. The Business Review Weekly selected him as the 7th most influential Australian in Asia.

## **Users Review**

### **From reader reviews:**

#### **Elisabeth Martinez:**

What do you consider book? It is just for students as they are still students or that for all people in the world, what best subject for that? Simply you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Second Language Teaching & Learning. All type of book can you see on many options. You can look for the internet sources or other social media.

#### **Rose Duprey:**

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want drive more knowledge just go with education and learning books but if you want feel happy read one with theme for entertaining for instance comic or novel. Typically the Second Language Teaching & Learning is kind of guide which is giving the reader unstable experience.

#### **Steven Craig:**

As we know that book is important thing to add our understanding for everything. By a publication we can know everything we would like. A book is a list of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This publication Second Language Teaching & Learning was filled about science. Spend your spare time to add your knowledge about your research competence. Some people has diverse feel

when they reading any book. If you know how big good thing about a book, you can feel enjoy to read a publication. In the modern era like at this point, many ways to get book that you wanted.

**Lillian Kea:**

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Second Language Teaching & Learning can make you really feel more interested to read.
