#### SUMMER RENTAL

Ellis, Julia, and Dorie. Friends since Catholic grade school, they now find themselves, in their mid-thirties, at the crossroads of life and love. A month in North Carolina's Outer Banks is just what each of them needs. Ty Bazemore is their landlord. After an inauspicious first meeting with Ellis, the two find themselves disturbingly attracted to one another, even as Ty is about to lose everything he's ever cared about. Maryn Shackelford is a stranger on the run who needs just a few things: no questions, a good hiding place, and a new identity. Ellis, Julia, and Dorie can provide what Maryn wants; can they also provide what she needs?

#### SPRING FEVER

Annajane Hudgens truly believes she is over her ex-husband, Mason Bayless. They've been divorced for four years, she's engaged to a new, terrific guy, and she's ready to leave the small town where she and Mason had so much history. She is so over Mason that she has absolutely no problem attending his wedding to the beautiful, intelligent, delightful Celia. But when fate intervenes and the wedding is called to a halt as the bride is literally walking down the aisle, Annajane begins to realize that maybe she's been given a second chance. Maybe everything happens for a reason. And maybe, just maybe, she wants Mason back. But there are secrets afoot in this small Southern town and Annajane discovers that change can bring out the worst in people and uncover family scandals. And even though there are people determined to keep Annajane from getting what she wants, happiness could be hers for the taking, and the life she once had with Mason in this sleepy little lake town could be in her future. That is, if she can find out what she's really made of and what really matters most to her.

#### LADIES' NIGHT

Grace Stanton's life as a rising media star and beloved lifestyle blogger takes a

surprising turn when she catches her husband cheating and torpedoes his pricey sports car straight into the family swimming pool. Grace suddenly finds herself locked out of her palatial home, checking account, and even the blog she has worked so hard to develop in her signature style. Moving in with her widowed mother, who owns and lives above a rundown beach bar called The Sandbox, is less than ideal. So is attending court-mandated weekly "divorce recovery" therapy sessions with three other women and one man for whom betrayal seems to be the only commonality. When their "divorce coach" starts to act suspiciously, they decide to start having their own Wednesday "Ladies' Night" sessions at The Sandbox, and the unanticipated bonds that develop lead the members of the group to try and find closure in ways they never imagined. Can Grace figure out a new way home and discover how strong she needs to be to get there?
