America's New Swing Region: Changing Politics and Demographics in the Mountain West From Brookings Institution Press

The Mountain West—Arizona, Colorado, Idaho, Nevada, New Mexico, and Utah—has become the new swing region in American politics. All signs point to these states, especially Colorado, Nevada and New Mexico, being crucial in the 2012 election. Unfortunately, the rise of this region has been underreported in the media, and many political observers have only the most superficial understanding of the profound economic, political, and social changes that continue to reshape the Mountain West. *America's New Swing Region* is the remedy.

Led by bestselling author and political analyst Ruy Teixeira, a talented group of scholars assembled by the Brookings Mountain West program (housed at the University of Nevada–Las Vegas) presents the facts and the narrative necessary for understanding what is happening in this region and why it is so important.

Contents 1. Introduction and Overview

2. America's New Swing Region: The Political Demography and Geography of the Mountain West

3. Metropolitan Voting Patterns in the Mountain West: The New and Old Political Heartlands

4. Hispanics, Race, and the Changing Political Landscape of the United States Mountain West

5. The Political Attitudes of the Millennial Generation in the Mountain West

6. The Mountain West Today: A Regional Survey

7. Reapportionment and Redistricting in the Mountain West

Contributors include Karlyn Bowman (American Enterprise Institute), David Damore (University of Nevada–Las Vegas (UNLV)), William Frey (Brookings

Institution), Scott Keeter (Pew Research Center), Robert E. Lang (Brookings, UNLV, and the Lincy Institute), Tom Sanchez (Virginia Tech University), and Ruy Teixeira (Century Foundation and the Center for American Progress).

Editorial Review

Review

"Why did a region so clearly identified with Barry Goldwater, Paul Laxalt, and Orrin Hatch start tilting Democratic in the last decade? Public opinion analyst Ruy Teixeira and a talented group of demographers, geographers, and political scientists explain why this has happened, and why the trend may continue. If you want to look more deeply into party divisions and population trends affecting the upcoming election, this is the book for you."?John B. Judis, Senior Editor, *The New Republic*

"Ruy Teixeira is one of our premier students of the interaction of demographic trends and electoral politics. *America's New Swing Region* is required reading for political junkies on all points of the political spectrum."?Michael Barone, principal author, *The Almanac of American Politics*

"Ruy Teixeira once again demonstrates his prowess for analyzing demographic changes and the political shifts that occur alongside them. For anyone, especially any political professional, who is thinking seriously about the national electoral landscape, this book is essential for understanding the dynamic shifts that have transformed the Mountain West into a critically important swing region."?Joel Benenson, lead pollster for President Barack Obama

"All of the elements of America's decades-long demographic transformation?the Latino population boom, the rise of the college-educated upper middle class, the increasing diversity of the inner suburbs?come into particularly sharp relief in the mushrooming states of the Mountain West. What had been a Republican stronghold is now contested ground, where both major parties will invest enormous sums in 2012 and in many elections to come. *America's New Swing Region* is an indispensable guide to the states that now hold the key to the White House."?Reihan Salam, editor of The Agenda blog, National Review Online

About the Author

Ruy Teixeira is a joint fellow at the Century Foundation and the Center for American Progress, and he was a visiting scholar at the Brookings Institution 2007–11. His previous books include *America's Forgotten Majority: Why the White Working Class Still Matters*, written with Joel Rogers, and *The Emerging Democratic Majority*, with John Judis.

Users Review

From reader reviews:

Ryan Neal:

What do you consider book? It is just for students since they're still students or it for all people in the world, what the best subject for that? Simply you can be answered for that query above. Every person has diverse personality and hobby for every single other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book America's New Swing Region: Changing Politics and Demographics in the Mountain West. All type of book is it possible to see on many resources. You can look for the internet options or other social media.

Shea Cross:

What do you with regards to book? It is not important together with you? Or just adding material when you really need something to explain what the one you have problem? How about your time? Or are you busy person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everybody has many questions above. They should answer that question because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need that America's New Swing Region: Changing Politics and Demographics in the Mountain West to read.

Jerome Chisolm:

The reason? Because this America's New Swing Region: Changing Politics and Demographics in the Mountain West is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the reserve store hurriedly.
