### **Editorial Review**

#### Review

I have been using John Glynn's Commentary and Reference Survey 10th edition and have found it to be an indispensable source. I was showing my students this most recent edition and one student commented that he wished his professors had drawn his attention to a resource like this at the beginning of his college career. Now in all of my classes I intend to introduce my students to Glynn's book. I know of resource like this which includes commentaries, surveys of both testaments, background studies, linguistic tools, systematics, church history, and in this latest edition a new section on Exegetical and Bible Study Computer Programs. Undergirding all of this is Glynn's sensitivity to the needs of lay people, Bible college/seminary students and pastors as he offers judicious comment and guidance suited to their needs and their pockets! (Prof. Trevor J. Burke *Moody Bible Institute Bible Department 20070508*)

So many commentaries, so little shelfspace. Glynn's comprehensive, up-to-date guide helps 'narrow the field' for pastors and students. (*Christian Book Distributors 20040603*)

. . . Invaluable to every evangelical church librarian. - (*Church Libraries 20040603*)

[An] excellent resource designed to help you make your way through the commentary maze . . . (*Preaching 20040603*)

If you want to get the most bang for your book-buying buck, you'll find this book to be a helpful tool. (*Preaching Now 20040603*)

Well worth the investment. It could save you thousands of dollars. (*Biblical Worldview 20040603*)

#### About the Author

John Glynn, a lifelong resident of Massachusetts, is a freelance academic proofreader and writer. He is a graduate of Emerson College in Boston.
