**Lostología (Spanish Edition)** By Carlos Scolari, Alejandro Piscitelli, Carina Maguregui

Lostología es una compilación de ensayos de autores argentinos y españoles que analizan la serie de forma lúcida e inteligente. Tanto la crítica como el público coinciden en que Lost representa una de las experiencias pioneras en narrativa transmediática más ricas y complejas del momento. El fenómeno que eclosionó a partir de la caída del vuelo Oceanic 815 en una isla perdida del Pacífico dio lugar a una rizomática mitología de cuya proliferación constante somos responsables todos y cada uno de nosotros en diferentes partes del mundo. Más que ninguna otra propuesta, esta serie involucró al público como una pieza fundamental del engranaje, incitándolo a tomar un papel activo en el devenir de su universo para convertirlo en una máquina de producción amplificada.
