### Editorial Review

#### Review

(For the first edition) In worship we declare what is really valuable to us, says Dr. Wiersbe. Convinced he is right, my mind devoured this book. Often in the reading of these pages I forgot this was a book about worship and became lost in the very act of worship. Wiersbe wakes us to the wonder of God. A solid and scholarly challenge threads substance throughout the piece -- *Calvin Miller*

(For the first edition) Rarely have I identified with an author in his perception and experience of worship as I have in this present volume. The reader will never be quite the same again after perusing these pages. He may not agree with everything, but he will have to acknowledge that man's chief end is to glorify God and to worship Him in the beauty of holiness -- *Stephen Olford*

(For the first edition) Warren Wiersbe has done a masterful job of communicating our call to worship from the pages of Holy Scripture. His chapter on preaching as a sacrament is alone worth the price of the book. This is yet another prophetic voice calling modern evangelicalism back home to the priority of worship -- *Rt. Rev. Peter E. Gillquist*

(For the first edition) Warren Wiersbe has done a wonderful service ... by giving us this marvelous book. It is easily readable, thoroughly biblical, intensely practical, and sorely needed. With a happy heart, I commend it to all who wish to discover the joy of biblical worship -- *Adrian Rogers*

(For the first edition) With intelligence and insight, wit and wisdom, Warren Wiersbe reveals the transformation which honest worship can bring to each Christian and his church -- *Frank Boggs*

#### About the Author
