Replacing Her Panties: True Stories of an ABDL Diaper Girl (Confessions of a DaddyDom Book 1) By D.L. King

In her complex, adult life, Stacy has dreams of becoming a little girl again. When she meets Dominic over the Internet, she has no idea what she's in for! Join on her adventure and learn how Stacy's Daddy-Dom replaces her panties with diapers as he takes away her sense of adult-self. This story covers the first part in Stacy's adventures into the underground world of kink, ageplay and BDSM.

In need of a domineering daddy, young professional Stacy can't seem to find a relationship that provides her with what she wants. Fed up with boys who just don't get her, she tracks down adult actor and fetish star Dominic after finding his pictures on the Internet. The two hit it off, and Stacy agrees to stay with him for the weekend. But there's a catch—Stacy is no longer permitted to wear panties. And she's not allowed to use the "potty" either!

Stacy finds her first experiences with dungeon play, nursery play, another woman, diapers, enemas, spanking, bondage and more! This story contains adult content and the characters portrayed herein are all 21 years of age and older. This is ageplay erotica with sexually suggestive themes surrounding power exchange and forced-type play. Being a story about diapers, she also uses her disposable undergarments for all of their intended purposes including urination, enema and suppository release. There are several scenes of a graphic sexual nature including female on female breastfeeding scene and numerous encounters between Stacy and her new daddy, Dominic.

The cover photo was shot at four in the morning after the story was finished being written, much to the chagrin of Adriana Evans (Cover Model) so she hopes you like it. I shot and produced the cover myself, fyi.

Though the characters are fictional, as are some details throughout the story, the events are based on my life experiences being a pro daddy-dom and working in the adult film industry where I produce kink, fetish and BDSM content. The activities being described are things that actually happen. Setting it apart from others, that's why you should read this story... Enjoy!
