Through the Eye of the Shaman: The Nagual Returns By Robert Ghost Wolf

Dr. Robert Ghost Wolf is not a singular formulated thought. God is the truth in all thought. There are those who would challenge your right to live in the *freedom of Being*.

They would try to pull you back into the murk and mire, only to justify their own struggles with owning their self-truth and worth.

Daring to have your very own thought makes you different. It makes you in many ways the "Outcast" ... the "Misfit" ...

Are you one of God's radical few...?

Through The Eye of the Shaman is a handbook for emerging Masters following the Path Less often Traveled...
