Delivering Health Care In America (Delivering Health Care in America: A Systems Approach) By Leiyu Shi, Douglas A. Singh

In a clear, cohesive format, *Delivering Health Care in America* provides a comprehensive overview of the basic structures and operations of the US health system—from its historical origins and resources, to its individual services, cost, and quality. Using a unique “systems” approach, it brings together an extraordinary breadth of information into a highly accessible, easy-to-read text that clarifies the complexities of health care organization and finance, while presenting a solid overview of how the various components fit together. The fourth edition has been thoroughly updated with the latest information on: The global threat of avian influenza Health policy agenda of the Bush administration Progress towards Healthy People 2010 goals The effects of corporatization, information revolution, and globalization on health care delivery. The role of hospitals in the U.S. healthcare system The continuing nursing shortage Prospective payment initiatives for inpatient psychiatric facilities and inpatient rehabilitation facilities Pay-for-performance initiatives Trends in home health care services The role of long-term care hospitals and reimbursement for their services Disease management as a strategy to manage utilization The role of inpatient rehabilitation facilities Updated information on health services for special populations State strategies to provide universal coverage State Children’s Health Insurance Plan reauthorization issues The President’s Emergency Plan for AIDS Relief High-deductible health plans Insurance restructuring in Massachusetts Challenges in long-term care The era of evidence-based medicine Mandates of recent legislation such as the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 and the Deficit Reduction Act of 2005 New Fifth Edition Now Available

Editorial Review

Review

"...very interesting and informative to those in the health care "system" of America...worth adding to your library."(AAMA Executive -- Journal of the American Academy of Medical Administrators) -- *AAMA Executive (journal of the American Academ*

"Let me begin by saying that I liked this book very much...will be well received within the academic community." -- *University of North Carolina at Charlotte, June 7, 2001*

For anyone returning to the U.S. to practice in health care, this book provides the missing evolutionary pieces that "time away" may have created." -- *Hanrahan, Susan, PT, PhD, Physical Therapy, March 2001*

Users Review

From reader reviews:

Abel Graham:

Spent a free a chance to be fun activity to complete! A lot of people spent their spare time with their family, or all their friends. Usually they carrying out activity like watching television, likely to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Could possibly be reading a book could be option to fill your free of charge time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to attempt look for book, may be the e-book untitled Delivering Health Care In America (Delivering Health Care in America: A Systems Approach) can be very good book to read. May be it can be best activity to you.

Jack Scala:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Delivering Health Care In America (Delivering Health Care in America: A Systems Approach), it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

Michele Williams:
