Worse, she thinks she's going to run Catherine's beloved company.

**Meanwhile, Rachel's biggest romantic mistake sits next to her at work.** They're friends again after the relationship went disastrously wrong, but they're pitted against each other to win their firm's biggest architecture project. So when she joins Catherine's website, *RecycLove.com*, where everyone recycles an ex for the chance of an upgrade, she knows just who she's going to trade in.

**And Sarah can't be bothered tottering around in painful shoes for another pointless date.** Staying home is easier, if a bit lonely sometimes.
