- What did future U.S. President Jimmy Carter see in the sky in January 1969? What moved him four years later to file an official UFO-sighting report describing the luminous object?
- Why in the world did self-taught artist Eddie Owens Martin create his own world called Pasaquan, change his name to St. EOM, and come to believe that his upswept hairstyle was an antenna to the great beyond? Who's to say—but he left behind a historic site that's truly out of this world.
