Editorial Review

Review

"Using the ON COURSE curriculum has impacted retention in a positive direction at our school. The textbook is engaging and diversified, and the format appeals to students at all levels of collegiate study. The topics are relevant to "real life," and students readily see the value of applying ON COURSE principles in their lives--from a personal, academic, and/or career-related perspective. ON COURSE provides valuable tools for pursuing success, and the textbook is replete with visuals, cartoons, quotes, tips, and testimonies that the students love."

"ON COURSE is life-changing for my students. I have seen students evolve in ways they never imagined in a matter of a semester thanks to ON COURSE. I cannot imagine using another book. No other book encompasses the reflective, introspective, and success attributes that ON COURSE does. ON COURSE walks students through their journey of self-discovery and allows them to grow into the student they have always wanted to become."
