It's more than a game when their hearts are involved.

For one night Kitty is going to pretend she's someone else. Someone not afraid of going after what she wants. And what she wants is a night of carnal pleasure with her two bosses.

Ethan and Finn have wanted their shy, innocent office manager since the moment they laid eyes on her. But months of issuing subtle invitations and innuendoes have gotten them nowhere. Until now.

Now she's here. With them. And nothing will stop them from getting what they want--Kitty in their bed. Forever.

Warning: A heroine out of her depth and two sexy heroes determine to show her she's capable of taking them both on.
