Poker Perspectives: Bringing the Game into Focus By Owen Gaines

Poker has been a major part of my life since 2004. It seems I'm always reflecting on the game, trying to expand my understanding of it, and drawing analogies from poker to life and life to poker. This book is a collection of those moments of reflection. Some sections of this book were written years ago and filed away, while other sections I wrote specifically for this book. By sharing my perspectives, I hope your understanding of poker is expanded and you enjoy the game even more.
