## **Editorial Review**

### About the Author

MAD is the world's leading magazine of humor and satire (at least according to the staff). For over fifty years, MAD has been a cultural touchstone, publishing twisted comedy from the truly disturbed minds of its many contributors, the Usual Gang of Idiots. This rag-tag crew of social misfits has traditionally been overworked, underpaid and, thankfully, not internet-savvy enough to read the insults we post about them online!
