### The Cruddy Fairies By V. Shawn Hines

Puck is a brand new Cruddy Fairy that was just born in the most unusual way. Follow him on his first day of work as he is guided by his fellow Cruddy Fairy, Lola. You will get to see them do work that no other respectable fairy would ever be caught doing, putting eye crud in eyes, toe jam on toes, and slobbering up a little girls pillow. It's a downright dirty and gross job but somebody has to do it. So get ready to laugh and squirm as you enter the ucky, yucky, ooey, goeey, and disgusting world of The Cruddy Fairies. This is a wonderful story that your children will want you to read to them over and over each night. Their imaginations will run wild while they drift off to dream about the little fairies that are all around them doing the jobs that no other fairy wants to do.
