The End (A Series of Unfortunate Events) By Lemony Snicket

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on...The End is the last in A Series of Unfortunate Events, and even if you braved the previous twelve volumes, you probably can't stand such unpleasantries as a fearsome storm, a suspicious beverage, a herd of wild sheep, an enormous bird cage, and a truly haunting secret about the Baudelaire parents. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Editorial Review

About the Author

Lemony Snicket has spent several eras researching the travails of the Baudelaire orphans. During his spare time, he gathers evidence and is considered something of an expert by leading authorities. Lemony Snicket published his first book in 1999 and has not had a good night's sleep since. To his horror and dismay, he has no wife or children, only enemies, associates, and the occasional loyal manservant. Lemony Snicket's extended family, if they were alive, would describe him as a distinguished scholar, an amateur connoisseur, and an outright gentleman.

Users Review

From reader reviews:

Ana Gaskill:

Your reading sixth sense will not betray a person, why because this The End (A Series of Unfortunate Events) e-book written by well-known writer who really knows well how to make book that may be understand by anyone who have read the book.
