The Glittering Court By Richelle Mead

A #1 NEW YORK TIMES BEST SELLER

***The Selection* meets *Reign* in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead.**

"Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end."

—*School Library Journal*

For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea.

After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him.

Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.

Editorial Review

From School Library Journal

Gr 8 Up-When the young Countess of Rothford is forced into an unwanted marriage with a despicable distant relative, she runs away and decides to leave the beautiful country of Osfrid behind in search of a new life. She follows a dashing student named Cedric to a place called the Glittering Court, where his family trains ordinary girls to act like nobility, ships them overseas to the New World, and profits from their marriage contracts to up-and-coming young men. It's there that she assumes the identity of her maid, Adelaide Bailey, and does her best to blend in with the other girls. But as she falls in love with Cedric and becomes tangled in a web of secrets and lies, she is cast out of the Glittering Court and forced into a radically different life working the land in search of the gold they desperately need to start a better life together. With a full cast of bold and original characters, Mead does a superb job of building a world that teens will be excited to enter into and disappointed to leave. The plot is intricately woven, and the ending promises future installments from other characters' points of view. VERDICT Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end.-Candyce Pruitt-Goddard, Sno-Isle Libraries, Marysville, WA (c) Copyright 2011. "The emphasis on romance, dresses, and intrigue will appeal to fans of Kiera Cass."

—*Voice of Youth Advocates*

"In a refreshing change to the romance formula...there is a strong feminist element in Adelaide's narration, and more than meets the eye in terms of plot, character development, and substantive thought."

—*Booklist*

"An enjoyable fish-out-of-water tale that plays gritty frontier adventure against the finery of the Glittering Court."
