The Silence of the Sea By Yrsa Sigurdardottir

Winner of the Petrona Award 2015!

From the queen of Icelandic crime fiction comes a truly chilling story that will leave readers breathless right up to the memorable ending. This is possibly her best book yet. Bestselling and award-winning Icelandic crime author Yrsa Sigurdardóttir has produced here a dazzling display of brilliant crime writing that is both groundbreaking and immensely satisfying.

As *The Silence of the Sea* opens, a luxury yacht crashes into a Reykjavik pier. But the boat is empty; no one is on board. What has happened to the crew? And what has happened to the family who were very much present when the yacht left Lisbon?

What should Thora Gudmundsdottir, the series sleuth, make of the rumors that the vessel was cursed? She is spooked even more when she boards the yacht and thinks she sees one of the missing children. Where is Karitas, the glamorous young wife of the yacht's former owner? And whose is the body that has washed up further along the shore?

The most chilling novel yet from Yrsa Sigurdardottir, an international best-selling author at the height of her powers.

Editorial Review

Review

Nordic mystery writers can raise goosebumps as few others can, and Sigurdardottir shows she's one of the best. "Booklist (starred) on I Remember You"

Sigurdardottir has written an excellent and seriously scary mystery with tangible and supernatural elements that will appeal to fans of John Ajvide Lindqvist. "Library Journal (starred) on I Remember You"

I can see why so many people are enthusiastic about Yrsa's work. It's very engaging, fresh and exciting. "James Patterson"

"Someone to Watch Over Me" seductively weaves together two seemingly disparate stories. "Cleveland Plain Dealer (Grade: A)"

Drives to a shattering climax that honors the traditions of both detective fiction and ghost stories.

"Kirkus Reviews on I Remember You"

"I Remember You" ranks among the scariest, right up there with the best of Stephen King and Peter Straub. It's that good. And that scary. And, ultimately, that moving. "EarlyWord on I Remember You"

"A tour de force capped by a haunting final scene that will linger in your mind long after the cumbersome explanation of how the trick was worked." "Kirkus "(starred) on "Silence of the Sea"

and *Ashes to Dust*.

Users Review

From reader reviews:

Melvin Wilhelm:

Why? Because this *The Silence of the Sea* is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the guide store hurriedly.

Robert Maselli:

In this era globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. Often the book that recommended to you personally is *The Silence of the Sea* this publication consist a lot of the information with the condition of this world now. That book was represented so why is the world has grown up. The terminology styles that writer use to explain it is easy to understand. The writer made some research when he makes this book. This is why this book suitable all of you.

Eddie Horton:

In this era which is the greater man or woman or who has ability in doing something more are more treasured than other. Do you want to become one among it? It is just simple approach to have that. What you need to do is just spending your time not much but quite enough to have a look at some books. On the list of books in the top collection in your reading list will be *The Silence of the Sea*. This book which can be qualified as *The Hungry Mountains* can get you closer in getting precious person. By looking up and review this publication you can get many advantages.

Glenn Herrera:

As we know that book is vital thing to add our expertise for everything. By a guide we can know everything you want. A book is a range of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This book *The Silence of the Sea* was filled concerning science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a new book. If you know how big benefit from a book, you can sense enjoy to read a book. In the modern era like right now, many ways to get book which you wanted.
