Theories of Personality By Duane P. Schultz, Sydney Ellen Schultz

Filled with updated research and findings, the tenth edition of Schultz and Schultz's *THEORIES OF PERSONALITY* gives you a clear and cogent introduction to this dynamic field. Organized by theory, this popular text discusses major theorists who represent psychoanalytic, neopsychoanalytic, lifespan, trait, humanistic, cognitive, behavioral, and social-learning approaches, while demonstrating the influence of events in theorists' personal and professional lives on the development of these theories. The book also explores the ways in which race, gender, and cultural issues play a part in the study of personality and in personality assessment, and includes numerous examples, tables, and figures that further enhance your understanding of the content. The final chapter, "Personality in Perspective," integrates topics explored in previous chapters and suggests conclusions that can be drawn from the many theorists' work.

Editorial Review

About the Author

Duane P. Schultz is a former professor of psychology at the University of South Florida. He has also held faculty appointments at the University of North Carolina at Charlotte, Mary Washington College of the University of Virginia (now the University of Mary Washington), American University in Washington, D.C., and the University of Groningen in the Netherlands. Dr. Schultz and his wife, Sydney Ellen Schultz, are a well-regarded textbook author team.

Sydney Ellen Schultz is a writer, editor, and researcher who has developed print and digital publications and teaching materials for publishers, government agencies, schools, and professional associations. She and her husband, Duane Schultz, are well regarded as textbook authors.

Users Review

From reader reviews:

Danielle Smith:

Information is provisions for folks to get better life, information these days can get by anyone at everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is within the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Theories of Personality as your daily resource information.

Jeffery Whitley:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Theories of Personality, you could enjoy both. It is great combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

David Betancourt:

Your reading sixth sense will not betray an individual, why because this Theories of Personality guide written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written with good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still hesitation Theories of Personality as good book not only by the cover but also with the content. This is one guide that can break don't determine book by its include, so do you still needing one more sixth sense to pick this!? Oh come on your examining sixth sense already told you so why you have to listening to one more sixth sense.

Donna Muniz:

Are you kind of hectic person, only have 10 or 15 minute in your morning to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short space of time to read it because this all time you only find e-book that need more time to be read. Theories of Personality can be your answer because it can be read by an individual who have those short extra time problems.
