### Wild Girls Rule: a Billionaire Romance Novel (The Everly Brothers Series Book 1) By Rosalie Lario

*Wild girls get what they want...*

After moving to New York City, Hailey Thompson lands a job as the assistant to her older brother's best friend - and her childhood crush - Andrew Everly. Seeing Andrew again both thrills and terrifies her. The lighthearted boy she was once fixed on has grown into an impossibly handsome man, but he's also become a cold and ruthless businessman.

When Andrew agrees to hire Hailey as a favor to his childhood friend, he still thinks of her as the fresh-faced girl that he knew growing up. On the contrary, she's all woman. Temptation in a short skirt. As alluring as she is though, the little beauty is far too flighty for a man like him...not to mention that he's her boss.

As Andrew secretly struggles with his self-control, Hailey does everything in her power to crack his rigid façade. After being forced to spend a weekend away together on business, Andrew's rigorously sculpted mask of discipline begins to slip, and Hailey gladly takes advantage of the opportunity to educate him in the ways of seduction. He can claim all he wants that he likes his women elegant and controlled, but Hailey knows a dirty little secret...when it comes to matters of the heart, wild girls rule.

*Author's Note: If you're into sexy billionaires with a touch of Alpha, who love to talk dirty in the bedroom (and out of it), then this contemporary erotic romance series might be for you!*

*Andrew.* Had to be. Though she couldn't see his face, the way her body reacted to his presence made his identity clear. Every cell tingled with awareness, and a tremor of heat flared between her thighs.

*Yum... He can boss me around any day.*

Better yet, she could command him. There was nothing hotter than seeing a sexy, dominant man submit to desire.

A sleek cell phone held to his ear, the man turned to face her. Andrew's unmistakable blue gaze speared her, and something flashed in his eyes momentarily, followed by a glimmer of recognition.

Her pulse skyrocketed quicker than a volley of fireworks on the fourth of July.

*God, he's even more handsome now.*

At fifteen years of age, he'd been a stunner, with a long, straight nose, angular jaw, and gorgeous light-blue eyes. But the scrawniness of youth had been replaced by hard, sleek muscle, and the firm jaw was now covered with a sexy five o'clock shadow. He was, in a word, irresistible, and her body knew it. It propelled her slightly forward, as if pulled to him by the force of gravity.

Andrew gave her a brief smile and a nod, acknowledging her presence, but any delight she hoped to see wasn't there. In fact, he looked decidedly underwhelmed to see her.

*Simmer down, Hails.* She forced herself to remain in her spot.

Whatever response she'd been anticipating, he certainly wasn't falling over in lust. Not like her.

Disappointment quashed the butterflies in her stomach. Apparently, her dream of instant attraction followed by an energetic round of horizontal mambo on top of his desk wasn't going to happen. Too bad, because the more she looked at the perfectly sculpted body hidden beneath that suit, the hotter she got.

"That sounds satisfactory," Andrew said. The low tenor of his voice tore her gaze from the vicinity of his crotch.

*Oops.*

### Editorial Review

#### Review

"It was quick, funny read. Hailey was a fun character and Andrew's stern personality made it easy for Hailey to mess with him, a lot. They both try to deny their feelings which complicated the storyline but it just made it fun! Can't wait to continue the series!" ~ Hot Guys in Books

"I thought this was going to be the typical forbidden office romance but it turned out to be so much more. I really got into this read! Hailey had such a great personality, at times flighty but it's what made her, her. Andrew is the picture of a business man, but when he let his true self out, he was adorable and totally alpha." ~ Wicked Reads

"I highly recommend this as a book for readers of romance to obtain. I am looking forward to reading more by this author. I believe Andrew's brother, James, will have quite a great story to tell." ~ Cruising Susan Reviews
