Aarti Paarti: An American Kitchen with an Indian Soul By Aarti Sequeira

A beautifully-written cookbook weaving Indian and Middle Eastern recipes from her childhood with American dishes she has grown to love--from the Food Network personality.

AARTI PAARTI: An American Kitchen with an Indian Soul

A collection of memories and 101 recipes from the popular blogger(www.aartipaarti.com) and Food Network personality. The recipes will make cooking with traditional Indian flavors and spices approachable for the US market. Aarti's stories will dissolve the "foreign-ness" of Indian flavors and make seemingly complicated technique and flavor accessible. She will take the intimidation factor out of cooking Indian food by simplifying traditional recipes, offering many specific how-to's, and also tips on using traditionally Indian spices in new ways, in everyday dishes. And there is a streak of Middle Eastern in some of these recipes given her youth in Dubai.

Recipes include: Cornflake & Kaya French Toast, Real Deal Hummus, Masala Kale Chips, Mum's Everyday Dal, Sambar (Vegetable & Lentil Stew), Pregnancy Potatoes (Crispy masala potato wedges), Indian Street Corn, Saag Paneer, Quinoa Tabbouleh, Chickpea & Artichoke Masala, Tandoori Chicken, Bombay Sloppy Joes, Spicy Sticky Lamb Chops, Mango Pulled Pork Sandwiches, Masala Shrimp & Grits, Homemade "Magic Shell" with Garam Masala & Sea Salt, Strawberry-Rose Petal Shortcakes.

Finally, the narratives that open each chapter are wonderfully evocative, telling the story of a woman who was an outsider experiencing many cultures and cuisines: an Indian in Dubai, going to a British school; an international student attending Northwestern University to become an American journalist; and a wife of a Los Angeles man who leaves her job at CNN and becomes a Food Network Star. She finds that food always saves her and encourages us all to find the warmth in cooking.

Users Review

From reader reviews:

Jack Young:

As people who live in often the modest era should be revise about what going on or information even knowledge to make these keep up with the era which is always change and make progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what kind you should start with. This Aarti Paarti: An American Kitchen with an Indian Soul is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

Helen Thibodeaux:

It is possible to spend your free time to see this book this publication. This Aarti Paarti: An American Kitchen with an Indian Soul is simple to develop you can read it in the park your car, in the beach, train in addition to soon. If you did not include much space to bring the particular printed book, you can buy typically the e-book. It is make you better to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Sherry Ellis:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Aarti Paarti: An American Kitchen with an Indian Soul can make you sense more interested to read.

Daniel Adams:

Reading a book make you to get more knowledge from that. You can take knowledge and information from the book. Book is prepared or printed or descriptive from each source that will filled update of news. In this modern era like right now, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just looking for the Aarti Paarti: An American Kitchen with an Indian Soul when you desired it?
