### La Bâtarde: Batarde (French Literature) By Violette Leduc

An obsessive and revealing self-portrait of a remarkable woman humiliated by the circumstances of her birth and by her physical appearance, *La Bâtarde* relates Violette Leduc's long search for her own identity through a series of agonizing and passionate love affairs with both men and women.

When first published, *La Bâtarde* earned Violette Leduc comparisons to Jean Genet for the frank depiction of her sexual escapades and immoral behavior. A confession that contains portraits of several famous French authors, this book is more than just a scintillating memoir?like that of Henry Miller, Leduc's brilliant writing style and attention to language transform this autobiography into a work of art.

### Editorial Review

From [The New Yorker](#)

Remarkable ... filled with sudden anguished, tender phrases of sensual beauty.

Review

*La Bâtarde* is one of the most extraordinary books to have come out of France in some time.

(KIRKUS REVIEWS)

Whoever speaks to us from the depths of his loneliness speaks to us of ourselves. In *La Bâtarde*, a woman is descending into the most secret part of herself and telling us about all she finds there with an unflinching sincerity, as though there were no one listening.

(Simone de Beauvoir)

Language Notes

Text: English (translation)

Original Language: French

### Users Review

**From reader reviews:**

**Diego Mears:**

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. With book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now.
