**La vida política. Chile (1830-1880) (Spanish Edition)** By Ana María Stuken

### Un análisis sobre el proceso de construcción del Estado de Chile.

Se analizan los principales acontecimientos que definieron el ritmo de la vida política de las décadas entre 1830 y 1880, que constituyen un periodo de consolidación en el proceso de construcción del Estado de Chile, iniciado con su independencia de España en 1818.

La **colección América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

### Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
