### The Duke and I With 2nd Epilogue (Bridgertons) By Julia Quinn

Can there be any greater challenge to London's Ambitious Mamas than an unmarried duke?—Lady Whistledown's Society Papers, April 1813

By all accounts, Simon Basset is on the verge of proposing to his best friend's sister—the lovely and almost-on-the-shelf—Daphne Bridgerton. But the two of them know the truth—it's all an elaborate ruse to keep Simon free from marriage-minded society mothers. And as for Daphne, surely she will attract some worthy suitors now that it seems a duke has declared her desirable.

But as Daphne waltzes across ballroom after ballroom with Simon, it's hard to remember that their courtship is a sham. Maybe it's his devilish smile, certainly it's the way his eyes seem to burn every time he looks at her . . . but somehow Daphne is falling for the dashing duke . . . for real! And now she must do the impossible and convince the handsome rogue that their clever little scheme deserves a slight alteration, and that nothing makes quite as much sense as falling in love.

## Editorial Review

Amazon.com Review

Setting: Regency England

Sensuality Rating: 7

Relentlessly pursued by match-making mamas and their charges, Simon Bassett, the handsome Duke of Hastings, has grown tired of the societal chase. Tired too is the lovely Daphne Bridgerton, whose matrimonially minded mother is set on finding her daughter the perfect husband. Neither Simon nor Daphne is happy with this annoying state of affairs and both would give anything for a little peace and quiet. Their mutual wish for a respite from the ton's marriage mart leads to a pretend engagement--a scheme that is threatened with exposure by Daphne's suspicious older brother, who happens to know Simon's way with women very well. The two never anticipated that a mutual attraction would lead to the very thing they set out to avoid--a wedding. But Simon fears that his painful past may keep him from being able to truly love anyone. And though Daphne cares for him deeply, she won't settle for anything less than his heart.

*The Duke and I* is rich with author Julia Quinn's trademark humor and engaging dialogue. Beneath the Regency charm of this novel, however, dwells an insightful exploration of the impact of childhood trauma and the healing power of love. Quinn just keeps getting better and better, a fact that's sure to delight readers.  
--Lois Faye Dyer

### Review

"The Duke and I has everything a romance reader could want: gentle humor, superb writing, a good woman, and a slightly misguided man... The Duke and I is one memorable read."--"Oakland Press"Quinn will give you pleasant dreams." ---"Romantic Times"Ms. Quinn writes delightfully fast-paced, funny, sparkling, and bright romance." --"Romantic Times
