### The Iron Dream By Norman Spinrad

"IF WAGNER WROTE SCIENCE FICTION THIS IS THE WAY HE WOULD DO IT." — Harry Harrison  
Renowned science fiction writer Adolf Hitler's Hugo Award winning novel! Ferric Jaggar mounted the platform. A swastika of flame twenty feet high stood out in glory against the night sky behind him, bathing him in heroic firelight, flashing highlights off the brightwork of his gleaming black leather uniform, setting his powerful eyes ablaze. "I hold in my hand the Great Truncheon of Held. I dedicate myself to the repurification of all Heldon with blood and iron, and to the extension of the dominion of True Humanity over the face of the entire Earth! Never will we rest until the last mutant gene is swept from the face of the planet!"

### Editorial Review

#### About the Author

Norman Spinrad is the author of over twenty novels, including the acclaimed BUG JACK BARRON. He is a multiple nominee for both the Hugo and Nebula Awards for science fiction achievement, an American Book Award Nominee writer, and winner of the Prix Apollo. He has written scripts for Star Trek and produced two feature films. He has also published over 60 short stories collected in half a dozen volumes, and his novels and stories have been published in over a dozen languages. He has been President of Science Fiction Writers of America, Inc. (SFWA) three times. He is a tireless campaigner for authors' rights and is the creator of the "model contract" now in use by several writers' organizations. He's been a literary agent, President of World SF, briefly a radio phone show host, has appeared as a vocal artist on three albums, and occasionally performs live. He is a long time literary critic, sometime film critic, perpetual political analyst, and sometime songwriter. He grew up in New York, has lived in Los Angeles, San Francisco, London, and Paris, and travelled widely in Europe and rather less so in Latin America, Asia, and Oceania.

### Users Review
