The Life of Anna, Part 1: Enslaved By Marissa Honeycutt

Anna has been turned over to Devin Andersen, the most powerful man in San Francisco.

What does he have planned for her?

Is she just his mistress?

Or does he have darker designs in mind?

Synopsis:

Anna's entire life was scripted out before she was born by Devin Andersen, a man who doesn't have her best interests in mind. She is destined to be a tool in his hands to gain ultimate power in the USA. No, not as the President, but as the man who controls the President.

Raised by an extremely abusive guardian, Anna was molded into the perfect tool for Devin's use. Devin will use Anna's unique gifts to control everyone around him and eventually take her gifts for himself.

When Devin took her for himself at the age of sixteen, she had a vision of a man. A man who Devin was very interested in. But why? Why would Devin care about a young girl's dreams?

There is a subculture within our own world that you've only heard whispers of. The conspiracy theorists wish they knew Anna's story. What the conspiracy theorists think they know is only put out there to keep them from the real story.

WARNING

This series is for grown-ups. This series is not for people who are easily offended, get nightmares easily, or have difficulty reading books about tough subjects. I do not glorify bad things, but bad things do happen to my poor characters.

This is not your typical love story. My heroine does not fall in love and live happily ever after... at least not like the typical heroine. There is a happily ever after, but it is a long, painful journey to that end.

Anna's story is told in five, novel-length books. Consider this your introduction to Anna and her world.

This series will likely offend you. This series might make you cry; it might make you throw up; it might give you nightmares. It is a dark book. As someone once said, "It's dark. It gets darker. It gets even darker, and then it gets even more

darker. And then, just when you think it can't get any darker, it does.”

But don't worry. I take you to the deep end gradually. :)

There are many sexual situations in this series of books. People die. People get hurt. Things aren't always truly the way they appear to be. The antagonist isn't just a bad guy; he's EVIL. My heroine's worldview is skewed; things that may appall you are perfectly normal to her. You'll see why within a few chapters of Book One.

All sexual acts portrayed in this book are between persons of legal age (aka 18 years old). All sexual acts portrayed in this book are between non-related persons. Any violence is non-gratuitous and crucial to the plot and character development.

Do not read this if you are under the age of consent in your country. Do not get angry if the subject or actual book upsets you. If you're reading this, you've been warned.

This warning applies to the entire series. This first book is not as dark as the rest of the books.

Editorial Review

About the Author

Marissa's story of Anna began with a dream about being kidnapped with Adam Savage from Mythbusters (Yes, really). Over the next year and a half, it morphed into the story that is now known as "The Life of Anna." She has several other stories in progress, one of which is based on her kidnapped dream. When she's not writing or editing, Marissa is taking care of two young boys, training to be an astronaut, running her household, wrestling with gorillas, playing around on Facebook, promoting whirled peas, and busting her tush for her accounting degree. She enjoys chocolate, air conditioning in the desert's summer heat, really good strawberry margaritas, sleeping, and shopping
