## **The Word Became Fresh** By Dale Ralph Davis

"...I still believe that traditional Old Testament criticism has had the effect of killing the Old Testament for the church. This little tome can hardly reverse that, but it is meant as an exercise in reading the Old Testament for fun and profit. As my mother-in-law used to say, 'It's different anyway.' And maybe it will help. Most of what I do in the following pages involves discussing examples of Old Testament narratives. I have tried to select examples from a broad range of possibilities. By the way, I assume that you have the biblical text handy in order to carry on your 'Berean' work." Dale Ralph Davis
