Trump: I'll Be Your President By David Agam

THE ENDEARING CHARM OF DONALD TRUMP. For years, we were told that Republican representatives would stand and fight just as soon as we win a majority in the Senate. Now we are told that we must wait until we will have a Republican President. This explains the massive frustration with Washington. The American people do not believe Republicans will actually do what they are supposed to do. Despite historic victories handed to the Republicans, the GOP refuse to do what they campaign for and they all become "Campaign Conservatives," and a rubber stamp for Obama's policies. The distaste of Republican voters for politicians who refuse to do their job ended as Trump appeared in the political arena. Poll after poll this election cycle has registered that voters prefer an outsider with a fresh approach. When Trump announced his candidacy in June and launched his campaign, many Republicans were nervous. Many of the GOP's members found themselves in a face-off with the voters. Once in a lifetime a man appears who can capture victories for the public. Trump has done something the Republicans have not done for years. Above all, He speaks the truth. He names them and shames them. Trump is already defying the laws of politics. Trump has sustained a lead in the polls long before voting will begin, and remains at the top of the polls. Unless tamed, he will win the Presidency. While they all are preparing to be in the Oval Office, without knowing what to do when they get there, Trump has already written the blueprint of his Presidency. Donald Trump is larger than life. Everything he touches turns to gold.
