## **Who's That Girl?** By Mhairi McFarlane

An aching funny story from the author of the bestselling YOU HAD ME AT HELLO

What's the one thing you DON'T do at a wedding?

When Edie is caught in a compromising position at her colleagues' wedding, all the blame falls on her – turns out that personal popularity in the office is not that different from your schooldays. Shamed online and ostracised by everyone she knows, her boss suggests an extended sabbatical – ghostwriting an autobiography for hot new acting talent, Elliot Owen. Easy, right?

Wrong. Banished back to her home town of Nottingham, Edie is not only dealing with a man who probably hasn't heard the word 'no' in a decade, but also suffering an excruciating regression to her teenage years as she moves back in with her widowed father and judgey, layabout sister.

When the world is asking who you are, it's hard not to question yourself. Who's that girl? Edie is ready to find out.
