### Explorations in Political Psychology (Duke Studies in Political Psychology)

From Brand: Duke University Press Books

Mapping the territory where political science and psychology intersect, *Explorations in Political Psychology* offers a broad overview of the the field of political psychology—from its historical evolution as an area of inquiry to the rich and eclectic array of theories, concepts, and methods that mark it as an emerging discipline.

In introductory essays, editors Shanto Iyengar and William J. McGuire identify the points of exchange between the disciplines represented and discuss the issues that make up the subfields of political psychology. Bringing together leading scholars from social psychology and political science, the following sections discuss attitude research (the study of political attitudes and opinions); cognition and information-processing (the relationship between the structures of human information-processing and political and policy preferences); and decision making (how people make decisions about political preferences).

As a comprehensive introduction to a growing field of interdisciplinary concern, *Explorations in Political Psychology* will prove a useful guide for historians, social psychologists, and political scientists with an interest in individual political behavior.

*Contributors.* Stephen Ansolabehere, Donald Granberg, Shanto Iyengar, Robert Jervis, Milton Lodge, Roger D. Masters, William J. McGuire, Victor C. Ottati, Samuel L. Popkin, William M. Runyan, David O. Sears, Patrick Stroh, Denis G. Sullivan, Philip E. Tetlock, Robert S. Wyer, Jr.

### Editorial Review

#### Review

"*Explorations in Political Psychology* provides a much-needed framework for organizing the multi-disciplinary, multi-method research that characterizes the field of political psychology. The authors have also assembled some of the best examples of that research. The volume is equally useful to the beginning student and the advanced researcher."—Gregory Markus, University of Michigan

"This book will be indispensable to any serious student of political psychology. The editors, themselves among the most prominent scholars in the field, have brought together a first-rate lineup of authors. Not only are the chapters comprehensive, but they offer [many] ideas for future research. More than anything else, this reader says that political psychology has a bright future."—James H. Kuklinski, University of Illinois at Urbana-Champaign

#### From the Back Cover

"This book will be indispensable to any serious student of political psychology. The editors, themselves among the most prominent scholars in the field, have brought together a first-rate lineup of authors. Not only are the chapters comprehensive, but they offer [many] ideas for future research. More than anything else, this reader says that political psychology has a bright future."--James H. Kuklinski, University of Illinois at Urbana-Champaign

#### About the Author

Shanto Iyengar is Professor of Political Science at the University of California, Los Angeles.

### Users Review

#### From reader reviews:

##### Mike Yerkes:

Why don't make it to be your habit? Right now, try to ready your time to do the important behave, like looking for your favorite reserve and reading a book. Beside you can solve your condition; you can add your knowledge by the publication entitled *Explorations in Political Psychology (Duke Studies in Political Psychology)*. Try to the actual book *Explorations in Political Psychology (Duke Studies in Political Psychology)* as your good friend. It means that it can for being your friend when you experience alone and beside those of course make you smarter than previously. Yeah, it is very fortunated for you. The book makes you more confidence because you can know every thing by the book. So , let me make new experience in addition to knowledge with this book.

**Anna Brooks:**

Hey guys, do you wish to find a new book you just read? Maybe the book with the headline Explorations in Political Psychology (Duke Studies in Political Psychology) suitable to you? Typically the book was written by renowned writer in this era. Typically the book titled Explorations in Political Psychology (Duke Studies in Political Psychology) is the one of several books that everyone reads now. That book was inspired a number of people in the world. When you read this review you will enter the new age that you ever knew just before. The author explained their plan in a simple way, and so all of people can easily recognize the core of this e-book. This book will give you a large amount of information about this world now. So you can see the representation of the world in this book.

**James Cummings:**

The reason why? Because this Explorations in Political Psychology (Duke Studies in Political Psychology) is an extraordinary book that the inside of the publication waiting for you to snap the item but later it will zap you with the secret this inside. Reading this book adjacent to it was fantastic author who wrote the book in such an amazing way makes the content within easier to understand, entertaining technique but still conveys the meaning completely. So, it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of gains than the other book includes such as help improving your proficiency and your critical thinking method. So, still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

**Dianne Roy:**

This Explorations in Political Psychology (Duke Studies in Political Psychology) is a great publication for you because the content which can be full of information for you who also always deal with the world and get to make a decision every minute. This kind of book reveals its info accurately using great coordinate words or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having Explorations in Political Psychology (Duke Studies in Political Psychology) in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offers you the world within ten or fifteen tiny rights but this book already does that. So, this can be a good reading book. Hey there Mr. and Mrs. stressful do you still doubt that will?
