Fearless (Rescue Squad) By Kimberly Kincaid

The Temperature Is Rising...

Firefighter Cole Everett's life revolves around the firehouse. Committed to saving lives--and to the guys who always have his back in the most dangerous moments on the job--Cole's focus is a coveted spot on the Fairview Rescue Squad. When his captain asks him to mentor a rookie firefighter, he jumps at the chance, hoping it will help to prove his skill. But the new "guy" is none other than Savannah Nelson, a female firefighter as stubbornly determined as Cole is, and a whole lot curvier in all the right places . . .

Savannah won't let anyone extinguish her dream of fulfilling her family legacy and becoming a top notch firefighter--and she's happily surprised when strong-willed, sexy Cole is willing to give her the chance she deserves. Concentrating on the job isn't always easy when the heat between them flares higher every day, but Savannah won't give up--not even when one of Station Eight's veterans seems bent on trashing her reputation. To stop a string of possible arsons, Savannah and Cole will need to eliminate every distraction--but can they let their love go up in flames?
