### **Editorial Review**

#### Review

'In Hoodwinked: Watching Movies With Eyes Wide Open, one of America's foremost alternative media analysts, Uri Dowbenko, deftly deconstructs popular and influential movies ranging from 'The Matrix,' to 'Fight Club' to 'The Truman Show,' to 'Wag the Dog', and so many others. This 336-page compendium of cogent observation and informative insights is organized into six major sections: Poli-Sci-Fi (Political Science Fiction); Illuminati, Mind Control and Other PsyOps; Into the Mystic; Secrets and Lies of History; Pop Idolatry: Sex & Death and Other Games; and Government-Business (Scams) as Usual. Thoughtful and thought provoking, Dowbenko's commentaries are rife with a humorous intelligence and attention-gripping iconoclasm that makes Hoodwinked 'must' reading for students and critics of American cinema.' --Midwest Book Review (Oregon, WI, USA)

'All movies pack a hidden message, and nobody on the planet can decipher and quantify this subliminal jabber better than conspiracy genius Uri Dowbenko. 'Hoodwinked' is a nonstop disturbo thrill ride of cinema insights and savage critical vision. Dowbenko is an excavator of buried revelations... Enlightening, hysterical and - unlikeliest of all - sanctified by truth.' --Jerry Stahl, Author of 'Permanent Midnight'

'Hoodwinked is fantastic. Dowbenko's intelligent and humorous insights put Roger Ebert to shame. The book gave me a new pair of 3-D lenses to view and understand the subtext and real meaning behind many of today's movies.' --Brian Hall, Executive Producer, Conspiracy Con

#### About the Author
