Editorial Review

From Publishers Weekly

Jeremy forms an unexpected bond with Tiamat the dragon in this sequel to *The Monster's Ring*. Ages 8-12. Copyright 1992 Reed Business Information, Inc.

From School Library Journal

Grade 5-7-- In this entertaining fantasy readers will soon realize that things are not always as they seem. Jeremy Thatcher is plagued with all of the problems of a 12-year-old plus a few extra. He is pursued by Mary Lou Hutton, whom he detests, and is constantly put down by his art teacher for reasons he does not understand. One afternoon, in an effort to escape Mary Lou, Jeremy runs through alleys, side streets, and byways and finds himself in a part of town he has never seen before. He enters a small magic shop where he purchases a strange egg. A dragon that only Jeremy and Mary Lou can see enters the picture. The book is filled with scenes that will bring laughter and near tears to readers. Jeremy and his friends are believable characters; their actions and reactions are typical of the children's age. Once again, Coville offers a fantasy that younger readers can handle easily, and one in which dragons really exist for a little while. --Kenneth E. Kowen, Atascocita Middle School Library, Humble, TX
