## Traditional Japanese Poetry: An Anthology From Stanford University Press

This anthology brings together in convenient form a rich selection of Japanese poetry in traditional genres dating back from the earliest times to the twentieth century. With more than 1,100 poems, it is the most varied and comprehensive selection of traditional Japanese poetry now available in English.

Ezra Pound called poetry "the most concentrated form of verbal expression," and the great poets of Japan wrote poems as charged and compressed as poems can be. The Japanese language, with its few consonates and even fewer vowels, did not lend itself to expansive forms, making small seem better and perhaps more powerful. There is also the historical context in which Japanese poetry developed?the highly refined society of the early courts of Nara and Kyoto. In this setting, poetry came to be used as much for communication between lovers and friends as for artistic expression, and a tradition of cryptic statement evolved, with notes passed from sleeve to sleeve or conundrums exchanged furtively in the night.

Add to this the high sense of decorum that dominated court society for centuries, and you have the conditions that led to the development of the classical *uta* (also referred to as *tanka* or *waka*), the thirty-one-syllable form that acts as the foundation for virtually all poetry written in Japanese between 850 and 1900.

In choosing poems, the compiler has given priority to authors and works generally acknowledged as of great artistic and/or historical importance by Japanese scholars. For this reason, major poets such as Kakinomoto no Hitomaro, Izumi Shikibu, Saigyō, and Matsuo Bashō are particularly important collections such as *Man'yōshū*, *Kokinshū*, and *Shin kokinshū*. In addition, the volume also contains samplings from genres such as the poetic diary, linked verse, Chinese forms, and comic verse.

### Editorial Review

Language Notes

Text: English (translation)

From the Inside Flap

This anthology brings together in convenient form a rich selection of Japanese poetry in traditional genres dating back from the earliest times to the twentieth century. With more than 1,100 poems, it is the most varied and comprehensive selection of traditional Japanese poetry now available in English.

Ezra Pound called poetry “the most concentrated form of verbal expression,” and the great poets of Japan wrote poems as charged and compressed as poems can be. The Japanese language, with its few consonates and even fewer vowels, did not lend itself to expansive forms, making small seem better and perhaps more powerful. There is also the historical context in which Japanese poetry developed—the highly refined society of the early courts of Nara and Kyoto. In this setting, poetry came to be used as much for communication between lovers and friends as for artistic expression, and a tradition of cryptic statement evolved, with notes passed from sleeve to sleeve or conundrums exchanged furtively in the night.

Add to this the high sense of decorum that dominated court society for centuries, and you have the conditions that led to the development of the classical uta

(also referred to as tanka

or waka

), the thirty-one-syllable form that acts as the foundation for virtually all poetry written in Japanese between 850 and 1900.

In choosing poems, the compiler has given priority to authors and works generally acknowledged as of great artistic and/or historical importance by Japanese scholars. For this reason, major poets such as Kakinomoto no Hitomaro, Izumi Shikibu, Saigyō, and Matsuo Bashō are particularly important collections such as *Man'yōshū*, *Kokinshū*, and *Shin kokinshū*. In addition, the volume also contains samplings from genres such as the poetic diary, linked verse, Chinese forms, and comic verse.

### Users Review

**From reader reviews:**

**Ruth Powers:**

The book *Traditional Japanese Poetry: An Anthology* can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book *Traditional Japanese Poetry: An Anthology*? A number of you have a different opinion about publication. But one aim that will book can give many details for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or information that you take for that, it is possible to give for each other; it is possible to share all of these. Book *Traditional Japanese Poetry: An Anthology* has simple shape but you know: it has great and massive function for you. You can appear the enormous world by start and read a reserve. So it is very wonderful.

**Bobbie Wallace:**
