### **Waiting for Lefty.** By Clifford Odets

One of the most celebrated and significant plays of the modern American theatre, **WAITING FOR LEFTY** by Clifford Odets is set in the Depression era and deals with the exploitation of the working classes. First presented by the famous Group Theatre, the play has become a symbol of its times and a beacon for many soon-to-be famous playwrights. The action of the play is comprised of a series of varied, imaginatively conceived episodes - five in all - which blend into a powerful and stirring mosaic. The cast, which can be modified, calls for thirteen men and two women. Just a flexible, unit set is required. The "Acting Edition," published in soft cover by Dramatists Play Service, has a list of characters preceding the text and a complete prop list following the play. The text includes explicit stage directions.
