Who Do You Love (Rock Royalty Book 7) By Christie Ridgway

Years ago, Rolling Stone magazine dubbed the nine collective children of the most famous band in the world “Rock Royalty.” Now all grown up, the princes and princesses are coming back to L.A.’s Laurel Canyon to discover if love can be found among the ruins of a childhood steeped in sex, drugs, and rock ‘n’ roll.

Indie singer-songwriter Cami Colson met a mysterious stranger on a dark night and flung herself headlong into a blistering, secret affair with the sexy man. But then he broke things off without warning or reason, and she could only curse her trusting heart and hope that time would heal its wounds. Yet now Eamon is back in her life, as handsome and tempting as ever, and even more enigmatic.

Eamon Rooney, son of the president of a notorious motorcycle club, had every intention of staying away from Cami following their break-up. After all, he’d split from her to keep her free of the danger dogging him. Trouble touches her, however, prompting Eamon to pull her close again as he does everything in his power to keep her safe.

Passion between the two flares once more and even though they fight against the feeling, their wills are not more powerful than the ways of the heart. Can they learn they belong together...and will they survive the lesson?
