Celeste's Best Gluten Free Recipes Are Different

Why? Because I tested and retested my recipes until they were just right. In fact, the main bread recipe took me over three years to perfect and I baked over 2000 test loaves of bread in the process. Really. I was determined to bake a great tasting bread without baker's yeast. A recent study found that three-quarters of those tested for gluten sensitivity, like my daughter, were also sensitive to yeast. I refused to give up and I kept believing it was absolutely possible to have incredibly delicious gluten-free, yeast-free, allergen-free bread.

(*The recipes in the cookbook are all free of baker's yeast only and would not be suitable for those who are allergic to other forms of yeast.)

Celeste's Best Gluten-Free Bread

You probably never imagined that without gluten, dairy or yeast* you'd be able to bake up a loaf of bread that would taste so incredibly delicious. Prepare any of the gluten-free bread recipes included in the book and you, too, can enjoy bread that:

- Is Light and Airy
- Can Be Sliced Very Thin
- Tastes Great Toasted or Untoasted
- Tastes and Feels Just Like "Real" Bread
- Has a Crunchy, Golden Crust
