Cormac McCarthy: A Literary Companion (McFarland Literary Companion) By Erik Hage

Cormac McCarthy, the author of such works as *Blood Meridian*, *All the Pretty Horses*, *No Country for Old Men*, and *The Road*, is one of America's greatest living writers--an uncompromising examiner of the depths of human depravity, the nature of evil, and the bonds that endure between men. This companion is intended for both the scholar and lay reader seeking a comprehensive understanding of McCarthy's body of work. Alphabetically ordered entries offer analysis of novels, characters, motifs, allusions, plays, and themes, as well as commentary on events, people and places related to McCarthy scholarship. Most entries include a selected bibliography for further reading. A biographical introduction provides information on the life of this reclusive author, and discussion topics are provided as an aid for instructors.
