Lion Heart: A Scarlet Novel By A.C. Gaughen

Scarlet has captured the hearts of readers as well as the heart of Robin Hood, and after ceaseless obstacles and countless threats, readers will finally find out the fate of the Lady Thief.

Only the greatest loves can survive great danger. . .

Imprisoned by Prince John for months, Scarlet finds herself a long way from Nottinghamshire. After a daring escape, she learns that King Richard's life is in jeopardy, and Eleanor of Aquitaine needs Scarlet's help to free him. For a lifelong thief, this newfound allegiance to the crown-her family-is a strange feeling.

Scarlet knows that helping Eleanor will put her and those she loves back in Prince John's sights. Desperate not to risk anyone's life but her own, Scarlet formulates a plan to help save the king on her own. But fate-and her heart-won't allow her to stay away from Nottinghamshire for long. Even if Scarlet and Rob can together stop Prince John from going through with his dark plans for England, will their love be enough to save them once and for all?

Editorial Review

From School Library Journal

Gr 8 Up—In this finale to the "Scarlet" trilogy (Bloomsbury), Marian (aka Scarlet), imprisoned for months by her ruthless uncle Prince John, dares to escape, only to learn that her father's life is in jeopardy. Her grandmother, Eleanor of Aquitaine, asks her to serve as her knife-wielding spy in order to bring King Richard home safely, but Scarlet, now the recently titled Lady Huntingdon, decides that she must return to Nottinghamshire to face her fate and reunite with her true love, Robin Hood. As with *Scarlet* (2012) and *Lady Thief* (2014), this volume is replete with action and romance, each chapter adding just enough tension to continually engage teens. Scarlet once again emerges as a complex, well-developed protagonist, while Rob, Eleanor, and David (her knight protector) are quite well-rounded secondary characters. The action is fast-moving, the dialogue realistic, and the historical details accurately portrayed. While Gaughen admits to having tampered with King Richard's time line in the author's note, she clearly explains how the tale's events and personages fit into their historical context. Potentially difficult vocabulary is elucidated within the prose, and the subplots are masterfully interwoven with the action of the principal story. **VERDICT** An must-read series conclusion, sure to spark interest in the life and times of Richard the Lionhearted.—Nancy Menaldi-Scanlan, formerly at LaSalle Academy, Providence, RI

Review

"Following in the tradition of Tamora Pierce's stories of feisty, kickass heroines and drawing on some factual underpinnings. . . Gaughen's tale will satisfy teen readers seeking action-packed romantic adventure set alluringly in another age. Fans of *Scarlet* will celebrate both this opportunity to revisit Gaughen's colorfully depicted long-ago world and her suspenseful ending to a lively story." ?*Kirkus Reviews*

"A must-read series conclusion, sure to spark interest in the life and times of Richard the Lionhearted." ?*School Library Journal*

"Debut novelist Gaughen does more than offer a rip-roaring tale, though it is that. The story, told in Scar's distinctive first-person voice, captivates and gets readers as deeply into the heart of a troubled girl . . . has plenty for both the romantic and the adventure lover." ?starred review, *Booklist on SCARLET*

"A reimagined Robin Hood tale with a distinctive twist." ?*RT Book Reviews on SCARLET*

"Plenty of swashbuckling adventure and a hearty dose of romance power this re-imagining of the legend of Robin Hood." ?*School Library Journal on SCARLET*

About the Author
