Bare Essentials: Bras: Construction and Pattern Drafting for Lingerie Design (Volume 2) By Mrs. Jennifer Lynne Matthews-Fairbanks

There is a second edition now available. This version is no longer being printed. The Bare Essentials series is an invaluable resource for anyone entering into the field of lingerie design. This volume summarizes the basics of bra design, from sewing and construction to drafting and pattern grading; introducing these subjects in a manageable capacity. Bare Essentials is organized into three main sections based on the complexities of the information provided. Included in this book are basic patterns for sizes 30A-40F. What you will learn:

- Construction methods using elastics and stretch fabrics
- Manipulation of basic patterns
- Pattern drafting from measurements
- Developing grade rules and grading patterns

Editorial Review

Users Review

From reader reviews:

Beverly Dewitt:

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with education and learning books but if you want feel happy read one using theme for entertaining like comic or novel. The Bare Essentials: Bras: Construction and Pattern Drafting for Lingerie Design (Volume 2) is kind of e-book which is giving the reader unforeseen experience.

Stephen Hilton:

Information is provisions for anyone to get better life, information presently can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is inside the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you find the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Bare Essentials: Bras: Construction and Pattern Drafting for Lingerie Design (Volume 2) as your daily resource information.

William Carroll:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Publications can also inspire a lot of people. A great deal of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this Bare Essentials: Bras: Construction and Pattern Drafting for Lingerie Design (Volume 2).

Harry Barnes:

A number of people said that they feel bored when they reading a guide. They are directly felt the item when they get a half elements of the book. You can choose the actual book Bare Essentials: Bras: Construction and
