### **Bought with Blood: The Divine Exchange at the Cross** By Derek Prince

At the cross Christ made possible a "divine exchange" for everyone who believes in him. What is this exchange? Because Jesus endured all the evil due to humankind, believers can actually partake in all the good due to him. In this meaty book, acclaimed scholar Derek Prince explores the astounding results of the atonement for followers of Christ. In place of punishment, wounding, death, poverty, shame, and rejection, Christ freely offers forgiveness, healing, life, abundance, glory, and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that are made available through the cross: deliverance from this present evil age, from the law, from self, from the flesh, and from the world.

This brand-new edition includes a new mini-study course at the end of each chapter, perfect for individual or small group study.

From the Back Cover

Discover God's extravagant provision for all your needs.

At the cross Christ endured all the evil due you and in turn made available to you all the good due Him. In this provocative, Scripture-rich book, acclaimed author Derek Prince explores the nine "divine exchanges" of the atonement.

In place of punishment, wounding, death, poverty, shame and rejection, Christ freely offers forgiveness, healing, life, abundance, glory and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that Jesus makes available through the cross: deliverance from this present evil age, from the law, from self, from the flesh and from the world.

Because it is not enough simply to know about the atonement, Prince presents the means by which you can make it true in your personal experience: repentance, faith and a relationship with the Holy Spirit. This new edition of a life-changing book includes a mini-study course at the end of each chapter, perfect for individual or small group study.
